About Community Health Accreditation Partner (CHAP)

CHAP is an independent, nonprofit organization accrediting providers of home and community-based care. Founded in 1965, CHAP was first to recognize the need for and value of home and community-based care standards and accreditation. As a Centers for Medicare & Medicaid Services (CMS)-approved accrediting organization, CHAP surveys organizations providing home health, hospice, and home medical equipment services to establish if Medicare Conditions of Participation and DMEPOS Quality Standard are met and recommend certification to CMS. CHAP's purpose is to partner with organizations nationwide to advance quality in the delivery of care and services in the home and community.

About PN System

Founded in 1994 "**PN System**" began as a "Home Care Software designer" for some of local community organizations. From there, we grew to a full HOME CARE services design firm, handling everything from Consulting, Computer Services, to FULL LINE of PRINTING & Consulting Services, including Admission Packages and all FORMS needed for Home Health, HME, Clinic, and Rehab Services, continuous maintenance all of our client's needs with our Virtual Consulting site (21 Century advantages) and on-line staff application.
